Sub: Payment of a month's advance of pay as on 1-10-47 to the Municipal Employees on the analogy of the terms of the G.O. dated 1-6-1947

Ref: Your letter No. L 9330/XL 89-47-8 dated 1-10-47

With reference to your letter cited on the above subject, I have the honour to state that the observations of the Government have been communicated to the Presidents of all the 17 Municipalities in the District for needful action. Two municipalities viz., Periyapatna and Ramasamudra have replied. The President, Periyapatna states that the council have resolved that the advance of a month's pay might be paid to the Municipal staff subject to its being recovered in 10 instalments. The President of Ramasamudra states that the Municipality has no funds and consequently the council have resolved that it is not possible to pay the advance. Copies of resolutions received in this behalf are enclosed.

As the grant of advance depends upon the ability of each Municipal Council to bear the expenditure and how the advance if paid, should be recovered and as necessary instructions have been issued to the President, I think that no further action is called for. The municipalities that are resourceful will pay the amount and recover it by maintaining an account of advance which is subject to audit and inspections annually.

I have the honour to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
Mysore District
